Well we have reached the end of another year, and what a big one it has been. Thank you to all our family members and dignitaries who attended our Presentation Night. Congratulations to all our students for their effort throughout the year and to those students who received awards on the night. Well done! I would also like to introduce our new School Captains Jake and Angela, and our Vice Captains Ollie and Tomika. Congratulations to these students and I’m sure they will be wonderful leaders in our school.

We hope to see everyone again tonight at the P&C end of year Fun Night. The night starts at 5:30 pm and finishes at 7:30 pm. We would like to reinforce that older siblings are very welcome as long as they are accompanied by an adult and are prepared to follow the rules of our school.

The Year 6 dinner begins at 5:00 pm at the Idle Inn and we will return to the family fun night afterwards where the Year 6 students will receive their graduation certificate.

We have a big day planned tomorrow for our Whole School Big Day Out. This is a Mufti Day! Please ensure students where appropriate clothing for school and sun safety as well as covered in shoes. Please bring hats, swimmers, towels, rashies and sunscreen. Looks like it is going to be a hot day! Each student will be provided with a sausage sandwich and an ice block from the staff. Students are to bring alternative lunch if they do not wish to have a sausage sandwich, and any snacks they wish to have for the day.

I have outlined some up-coming events for next year and the costing so that you can prepare. Also contained in this newsletter is the class requirements based on five classes for the start of next year. Parents have previously requested this now so that they can take advantage of the specials in the New Year sales.

I would like to take this opportunity to wish all our families a safe and happy break, and enjoy your families. If you are travelling, please do so with care and we look forward to seeing everyone at the beginning of the year.

Have a Great Week 😊

**Year 6 Big Day out**

![Big Day out Image]

**QuickSmart**

Thank you to those parents who have responded to the QuickSmart tutoring program for 2016. We still need more people. If there are grandparents or extended family members who would be willing to assist us, please have them contact the school on 66543202.

**Events in Early 2016 to prepare for...**

- **Science – Scope IT** – This program is coming to our school in Term 1 and 2 and will run for 10 weeks. Students will experience Coding. This is an exciting program that will challenge and teach our students inquiry skills through hands on experiences. The program will run for Years 1 to Year 6 and will cost each student **$10 for the ten weeks**. The program is heavily subsidised by the school. The actual cost is **$5 per week for each student**. The school is covering $4 per student per week. We have subsidised this program as it is compulsory and covers Key Elements of the Science Syllabus. The $10 is non-refundable.

- **GRIP Leadership** – Year 5/6 students are very keen to once again attend this conference. The Conference is in Coffs Harbour on the 30th May. The cost per ticket is $35 per student which the school subsidises $10, so costs to students will be $25 plus the cost of the bus.

- **School Fees** – Individual child $45. Family of 3 or more is capped at $105.

- **Stage 3 Excursion** – This will be Week 2, Term 2. Costing will be provided early in Term 1.

- **Band and Choir** – A cost of $10 for each for the year.
Message from the President

Nana Glen - Family Fun Night
